

Sticky Knowledge

Key Knowledge

Portraiture: Picasso was famous for his sketches and painting of portraiture art. This is the art of painting someone's face. Look at his painting to the right.

Art provokes an emotional response and that this may be different for different people.

All art can be interpreted in different ways.

Picasso's drawing of facial features was drawn at different angles. This was due to the fact that Picasso acknowledged that when we look at someone, we see them in different angles

Pablo Picasso 1881-1973

One of the world's most famous artists in history. Picasso was born in Spain although he spent much of his adult life in France. He was a modern artist who was famous for being a painter, sculptor, printmaker and theatre designer.

The portrait above is titled, *Lady in a red beret*.

Key Vocabulary

Line	There are 8 main types of lines in art: horizontal, vertical, diagonal, broken, zigzag, wavy, curved and spiral.
Shape	Shapes are lines connected together to enclose an area. They can be geometric like the shapes we see in Maths or organic like the shapes we see in nature.
Proportion	A part that is drawn in a relative size compared to the whole drawing.
Viewpoint	How the artist views an object or person.
Form	Form means 3D – It takes up space and can be seen from any angle. We can see the length, width and height.

Skills: I can...
