

Sticky Knowledge

Key Knowledge

Art can represent a journey or a moment.

Abstract art does not need to look like the thing it represents but achieves its effect and mood by using shape, colour, line and texture.

Paint can be applied to a variety of surfaces and texture can be added.

Artworks can be composed with a range of materials and incorporate paint.

Robert Rauschenberg 1925 – 2008

American painter, sculptor and graphic artist Rauschenberg is best known for his artworks which incorporated everyday objects as art materials.

Lots of his work is inspired by his travel around the world.

Key Vocabulary

Abstract art

Modern art which does not represent images of our everyday world. It has colour, lines and shapes, but they are **not** intended to represent objects or living things.

Pattern

A pattern is a design in which lines, shapes, forms or colours are repeated.

Texture

Texture means how something feels when it is touched.

Surface

Surface refers to the structure/texture of the painting area or drawing paper upon which one works to create an image. The surface of the material used may be smooth, glossy, hard, rough, or soft.

Collage

Collage is a form of artwork that is made by assembling different pieces to create a new, finished work of art.

Skills: I can...
