

Does your family have a special recipe that has been passed down through generations?

Do you have a favourite recipe that is cooked regularly in your household?

We would love to hear about your recipes, the stories behind them and any cooking tips you have! The aim is to put together a '**CTK: recipes from around the world**' cook book that will be on sale for a small cost in the Advent term. Further details on this will follow in the next academic year. Please could you send in to: office@ctk.leicester.sch.uk

Deadline for submission: Friday September 4th 2020
