

Year 4: Mountains Knowledge Organiser

What are mountains and how do humans interact with them?

Subject Specific Vocabulary	
Region	An area.
Summit	The top of the mountain
Valley	The area of low land between mountains.
Outcrop	A rock formation visible from the surface.
Slope	An area of ground increasing in height.
Foot	The bottom of the mountain.
Plateau	An area of flat, high ground.
Mountaineer	Someone who climbs mountains.
George Mallory	One of the first men to attempt to reach the summit of Mount Everest
Pennines	A region of hills and mountains which separates North West England from Yorkshire and North East England.

Sticky Mountains knowledge

Mount Everest is the tallest mountain in the world.

Not all mountainous regions are covered in snow.

The summit is the top of the mountain.

Ben Nevis is Britain's highest mountain, which is 1344 meters tall.
