

Dear Parents/Carers,

We welcomed parents onto the Junior Site today for our first poetry recital assembly. CTK poetry recitals are wonderful because year-on-year, our children have the opportunity to learn, perform and watch a range of classic, modern and funny poems. Performing them as a class brings our children together as a class team and also gives each and every one of our pupils a voice and the chance to perform.

This afternoon we enjoyed a wonderful poetry recital assembly performed by Mrs Boyd's class based on the theme of joy. Thank you to all the pupils in 6SB for all their hard work and preparation over the past two weeks. The children confidently performed 'Invictus' by William Earnest Henley and 'Pinda Cake' by Valerie Bloom and a Gospel Medley hymn. It was lovely to see the children learning these poems and performing with understanding, projection and enthusiasm. It also reminded us to take a moment to appreciate the joy we can find in each other.

## **Catholic Life and Mission**

This week, the children have been learning about the virtue of hard work. They have learned that it builds responsibility and discipline and that they should always do their best every day. The children in Year 6 and Year 2 set a mission for the children. Our missions this week:

Infant Mission: Work hard! To work hard on your own, to work hard in a team!

Junior Mission: To follow Jesus' servant leader example. Jesus decided to serve his Disciples by washing their feet and we will copy this by offering our services to our adults at home.

We invite you to talk about the value of work and the importance of serving others through their efforts.

## **Harvest**

We will be supporting Braunstone Foodshare again this year. It is a local organisation who collect food donations and make food parcels for families in our local area. As part of our Harvest Festival collection, we are asking the children to bring in one or more dried or tinned food items for the Braunstone Foodshare. They do not collect out-of-date foods, damaged foods or fresh produce. Please send your food donations by *Thursday 16th October*.

## **Be involved with your child's learning in school**

Our children really benefit from the wealth of experience available within our school community. Can you help with any of the following?

### **Demonstrating a musical instrument**

Do you play a musical instrument? If so, perhaps you could introduce it to the children in one of our weekly assemblies. If you are able to help, please contact our Music Lead, Mr Mason, by emailing the office.

### **Our Aspirations Curriculum**

In each year group, our children learn about life in the world of work in different sectors. We would really like you to come and talk to a year group about your job: What do you do each day? Why do you enjoy it? How did you qualify to do your job? Below is a list of the different areas that we look at but if your job doesn't fit one of our areas and you think the children would be interested, please get in touch. Please contact Ms Knight and Mrs Gallagher by emailing the office if you are able to help.

EYFS - the emergency services

Year 1 - food and leisure

Year 2 - healthcare

Year 3 - construction, engineering and manufacturing

Year 4 - travel and tourism

Year 5 - the creative industries/media

Year 6 - legal and financial services

### **Our History Week (Week Beginning 6<sup>th</sup> October)**

We celebrate the histories of the many countries and cultures that make up our community during 'Our History Week'. If you would be willing to talk to a class about the history of the country and/or culture that you come from, we would love to hear from you. Please contact our History Lead, Miss Odedra, by emailing the office.

## **The CTK Experience**

At Christ the King we plan a sequence of trips as part of the CTK Experience. These directly support the learning in the curriculum provide a range of experiences that enhance the wider development of our pupils.

### **Year 4 visit New Walk Museum and Art Gallery**

Year 4 had a fantastic trip to New Walk museum where they took part in an Egyptian workshop. They learned what life was like for the Ancient Egyptians, dressed up in Ancient Egyptian costume and had the chance to examine some artefacts from 3000 years ago. They also had the opportunity to explore the museum. The children really enjoyed their visit.

## **Sporting Notices from Mr T!**

### **Boys Football**

On Monday 22nd September, we kicked off a brand-new season of KS2 Boys' Football. This year marks our fifth consecutive year participating in the *Inspire Together: Leicester City Football League*, held at New College, Leicester.

Due to the incredible passion and high demand from our children, we are proud to announce that we have entered two teams into the boy's league this year! A fantastic achievement that highlights the ever-growing passion for football in our school community!

Our first match night of the season brought lots to celebrate and plenty to build on. Team 1 enjoyed a fantastic evening, showing great skill and teamwork. For Team 2, many players were experiencing their first competitive fixtures; they grew in confidence with every game, showed real resilience, and finished stronger than they started. Mr Dunn and Mr T were very proud of their attitude and progress.

A special shoutout goes to Tomasz B, who scored an impressive hat-trick in a convincing win for Team 1, and to David, who found the back of the net on his debut, a special achievement for a Year 4 pupil.

The season is off to an exciting start, and we look forward to our Girl's football team starting next Monday.

## **Welcome Parent Curriculum Meetings**

It has been fantastic to see so many of our families in school for the parent welcome meetings that have been held this week.

These meetings provide you with expectations for the year ahead, an overview of what your children will be learning and practical information on PE days, trips and visits.

These meetings continue next week for those yet to have them. Please see the dates at the end of the newsletter.

## **Year 6 children moving to secondary school from August 2026**

On Monday, Mr Calen - the Principal of English Martyrs - came to speak to the Year 6 pupils. He was very impressed with the way the children presented themselves, by their fantastic contributions and thoughtful questions - well done, Year 6!

Online applications for secondary schools are now open. Applications can be made online at [Starting secondary school \(leicester.gov.uk\)](https://startingsecondaryschool.leicester.gov.uk) and will need to be submitted by no later than **Friday 31st October 2025**. If you apply after this date, your application will be considered as late and you may miss out on your choice of school. *Please remember that if you are applying for a Catholic school you must also complete the Supplementary Form.*

## **Online Safety**

Please click the [link](#) which provides advice and information for parents/carers about **Snapchat**. We are aware that many children have access to this app via their phones/tablets. Snapchat's age requirement is *13 years old*. CTK does not advise the use of Snapchat by children but that is a decision for parents.

## **Parent's Evening**

Parents' Evening will take place on Tuesday 14<sup>th</sup> and Wednesday 15<sup>th</sup> October. Thank you to all those parents who have booked an appointment on Arbor. The online bookings close on *Friday 3rd October @15:00*. If you do not book, an appointment will be issued to you and it will appear on the target report that you will receive on Friday 10<sup>th</sup> October.

## CTK Open Days for children starting school in September 2026

We will be holding three Open Days for parents with children due to start school in August 2026. Please share this information with friends and family to whom this applies.

## Friends of Christ the King Parents' Association

Friends of Christ the King Parents' Association are looking for volunteers! Our first meeting will take place on **Tuesday 30<sup>th</sup> September at 18:00** on the Infant Site. A particular invitation to our many new parents in Reception. Whilst coming together as a community for many occasions, (the discos, cinema nights, BBQ), our PTA raises around £6,500 every year. This money helps to improve our school for your children. Please come along to see if you can help.

## Thought for the Week
