January 2025

Dear Friend,

On behalf of the team of volunteers at Toys on the Table I thank you for the generous donation.

Your support has enabled us, once again, to provide a package of new toys or gifts to deserving children who otherwise, would receive nothing during the festive season.

At the height of the pandemic, throughout 2020/2021 we were faced with significantly higher requests for help. Never-the-less, in the period from 1<sup>st</sup> November to 24<sup>th</sup> December 2025, through the Social Services, Health Visitors and Women's Refuges etc, we supplied some 12.500 gifts to 3,200 children within the counties of Leicestershire and Rutland. We could not have achieved this without your help.

Once again, thank you for your support without which we couldn't bring that much needed smile to the faces of so many deserving children.

Kind regards

Mac Clarke and the team.
