Vision

At Christ the King, we strive to build a caring Catholic community rooted in the example and teachings of Jesus Christ. His message of love, forgiveness and compassion shapes the life of our school and guides the actions of pupils, staff, parents and governors.

We provide a challenging, broad and balanced curriculum that reflects our Catholic ethos and supports the development of the whole child. We believe everybody matters and are committed to fostering respect for one another and for God's creation.

Inclusion Statement

The Governors are committed to genuine inclusion in education. This involves minimising barriers to learning and participation so that each child can flourish.

We recognise that every child is unique, with individual needs and gifts. As the Catholic Bishops' Conference (2014) reminds us: *"Belief in the individual leads Catholic schools to have the duty to care for the poor and to educate those who are socially, academically, physically or emotionally disadvantaged."*

Equal Opportunities

We believe all people are entitled to equal opportunity, respect and dignity, regardless of race, colour, creed, gender, disability or personal circumstances. We oppose all forms of prejudice and unfair discrimination. This commitment applies equally to adults and children within our school community.

Rationale

Religious Education is central to the life and mission of a Catholic school. It is not simply another subject but the foundation of the entire educational process. Rooted in the Christian understanding of the human person, RE enables pupils to explore the richness of faith and to encounter Christ. As the Catholic Bishops' Conference notes (2014), Catholic schools provide a distinctive form of education shaped by this vision.

Intent

Christ the King is a place where every child is valued as a child of God. We strive to enable all pupils to achieve their full potential and grow spiritually, academically and personally.

Our curriculum is grounded in the Gospel, Catholic Social Teaching and British values - it is knowledge-rich, ambitious and designed to inspire all learners.

Through a broad and balanced curriculum, we aim to build the knowledge, skills and virtues children need to become compassionate, resilient and successful young people rooted in their faith.

Catholic Character Formation

One of the three pillars of outstanding Catholic education is the formation of character. At Christ the King, we aim to create a safe, nurturing environment where children are supported to grow into virtuous and confident young people.

Our approach to character formation is embodied in **The CTK Way**. Christ is at the centre of who we are and what we do. We explicitly teach the virtues and expectations that contribute to a flourishing school community. We expect all pupils to follow **The CTK Way**, reflecting our Motto: “**Believe and Achieve**”

Our Gospel Values

- **Love**
- **Forgiveness**
- **Compassion**
- **Gratitude**
- **Hope**
- **Service**
- **Justice**

When practised daily, these values become virtues—positive habits that form the character of our pupils and shape our school culture. The CTK Way also underpins our behaviour policy and sets out clearly the routines and expectations that enable children to thrive both in school and beyond.

Catholic Social Teaching

Jesus said, “*Love one another as I have loved you*” (John 13:34).

Catholic Social Teaching (CST) provides a practical framework for living out this commandment in the modern world.

Each year group explores a different CST principle, including:

- **Human Dignity**
- **Care for Creation**
- **Solidarity**
- **The Common Good**
- **Care for those most in Need**
- **Justice and Peace**
- **Subsidiarity**

Through scripture, the lives of the saints, prayer and reflection, pupils learn how to live these principles as signs of faith in action as they progress through the school.

The CTK Experience

Education at Christ the King is more than academic learning. The **CTK Experience** ensures every child has access to a rich programme of opportunities beyond the classroom, regardless of background.

Our Catholic Faith is at the centre of the CTK Experience which is divided into 6 Key Areas:

The CTK Experience includes:

- **Catholic Life** – Active participation in the prayer and worship life of the school (See Prayer and Liturgy policy)
- **Faith in Action** – Charity, service and living out Gospel values. (See Charities Policy)
- **Visits, Trips and Retreats** – Regular learning opportunities beyond school.
- **Sports, Clubs and Activities** – Broad enrichment for all pupils.
- **Performance, Culture and Creativity** – Developing artistic and cultural talents.
- **Missions, Vocations and Futures** – Helping pupils discern their God-given gifts and aspirations.

Living Out Catholic Life at Christ the King

We celebrate and live out our Catholic identity by:

- **Valuing our environment** – Eco Warriors, gardening club, Laudato Si' projects, Prayer and Worship Team
- **Valuing others** – Anti-bullying initiatives, behaviour expectations, inclusive policies.
- **Valuing our faith** – Daily prayer, collective worship, chaplaincy group, parish links, church and clergy visits
- **Valuing our community** – Inspire Workshops, year group masses, summer BBQ, outreach, stakeholder engagement.
- **Valuing achievement** – Individual house points, Believe and Achieve certificates, Love One Another awards, Head of School awards, lunchtime teacher certificates and house celebrations.
- **Challenging others and ourselves** – Charity work, social justice initiatives, striving for excellence.
- **Loving one another as Jesus taught us** – Reflecting Christ's love through our actions.

Pupils play an active role in shaping the school's mission and ethos through our pupil Ministry Teams. These groups of children take an active role in leading and developing different aspects of our Catholic life, helping to strengthen our faith community and serve others. Through these opportunities, pupils grow as faith-filled leaders who actively witness to Gospel values in their daily lives.

Our Ministry Teams include:

- **Prayer and Worship Team** - supporting and leading prayer opportunities and acts of worship throughout the school.
- **Liturgy and Celebration Team** - helping to plan and enhance liturgical celebrations, special feast days and sacramental occasions.

- **Mission and Charity Team** - promoting Catholic Social Teaching through fundraising, charitable initiatives and outreach to those in need.
- **Welcome and Community Team** - fostering a spirit of hospitality, inclusion and service, ensuring that everyone feels welcomed, valued and supported within our school family.

Through these leadership opportunities, pupils develop a deeper understanding of their faith, strengthen their sense of service and responsibility, and make a meaningful contribution to the life of the school and wider community.

Leadership, Monitoring and Review

The coordination and planning of Catholic Life is the responsibility of the Headteacher, RE subject leader and Chaplaincy Leads, who also support colleagues in their efforts towards developing the spiritual life of everyone within our community. The RE Subject Leader and Headteacher provide CPD opportunities for all staff where necessary and will lead Catholic Life staff meetings to ensure staff are aware of expectations within school and Diocesan initiatives.

The Headteacher and RE subject leader will feed back termly to the RE Governor and Chair of Governors regarding initiatives in school. There will also be opportunities to conduct learning walks and pupil interviews regarding the development of the Catholic Life of the school. There will also be more formal feedback given to the full Governing Body on a termly basis.
