

Religious Education - 'Meet in My Name'
2026-2027
Christ the King Catholic Voluntary Academy

In Ecclesiam Suam, Pope St Paul VI suggested that our path to dialogue can only be accompanied by deepening self-knowledge of our own faith and experiencing renewal as a result. He envisages the way to dialogue as a series of concentric circles. He suggests that after seeking dialogue with other Christian denominations, Catholics should seek to enhance dialogue with those who believe in one God. First, followers of the Jewish faith with whom much is shared, then followers of Islam. (*To know you more clearly*)

In addition to Branch 6, *Dialogue and Encounter*, children at Christ the King will have the opportunity to learn about other religions at different times in the year.
